

THE UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE

FACULTY SENATE

Senate Document Number 0509F

Date of Senate Approval 10/08/09

Statement of Faculty Senate Action:

Sense of the Senate Resolution

The Faculty Senate wishes to understand the rationale of the Board of Trustees in changing the Mission Statement. We are particularly interested in the thinking behind removing the phrase "Small by choice" that had been in the statement since 1991. The original statement had the strong support of the faculty as a whole.
