Statement of Faculty Senate Action:

APC Document 93: **Change course descriptions for SPAN 110 and 120**

Effective Date: Fall 2012

1.Delete: On page 268, the entry for **SPAN 110, 120:**

110, 120 Elementary Spanish I, II (3, 3)

Introduction to the study of Spanish language and culture through classroom and laboratory instruction. For beginners and those referred by placement test or departmental evaluation. Fall and Spring.

Add: On page 268, in place of deleted entry:

110 Elementary Spanish I (3)

Introduction to the study of Spanish language and cultures through classroom instruction and outside work. For beginners who have not previously studied Spanish and for those referred by departmental placement exam. Fall and Spring.

120 Elementary Spanish II (3)

Continuation of the study of Spanish language and cultures through classroom instruction and outside work. Prerequisite: SPAN 110 or equivalent, or by departmental placement exam. Fall and Spring.

Impact Statement:

These editorial changes should have no impact on the department of foreign languages or our students other than that of helping to clarify the differences between SPAN 110, 120 and 130.

Rationale:

This change is being made due to the implementation of the new high beginner course, SPAN 130. Descriptions with greater specificity and differentiation are needed.
