Adjust the number of required hours for Foreign Language**

**Effective Date: Fall 2012**

**1.Delete: On page 50, under Learning Foundations:**

**Foreign Language 6 semester hours**

**Add: On page 50, in place of deleted entry:**

**Foreign Language 0-6 semester hours**

**2.Delete: On page 54, under Learning Foundations:**

**Foreign Language (6 semester hours)**

**Add: On page 54, in place of deleted entry:**

**Foreign Language (0-6 semester hours)**

**3.Add: On page 55, at the top of the page after SPAN 110, 120:**

**SPAN 130 Spanish for Advanced Beginners 3 semester hours**

**Impact Statement:**

Students will now have an additional three hour course that will fulfill the foreign language requirement.

**Rationale:**

Students can complete the foreign language requirement by placement or by completing a course at the appropriate level. Changing the hours from 6 to 0-6 is a more appropriate way to list the required hours since students can satisfy the requirement without taking any courses.

The addition of SPAN 130, Spanish for Advanced Beginners, to the curriculum gives students an additional option for fulfilling the foreign language requirement. As such, the course needs to be included in the list of approved courses.
