Statement of Faculty Senate Action:

APC Document 80:

Change prerequisite for MGMT 465

Effective Date: Fall 2012

1. Delete: On page 204, the prerequisite in **MGMT 465:**

Prerequisite: STAT 225, MGMT 380.

Add: On page 204, in place of deleted entry:

Prerequisite: STAT 185 or 225, MGMT 380.

Impact:

The number of hours required for the Operations Management concentration is reduced because students will no longer be required to take MATH 191, which is a prerequisite for STAT 225.

Rationale:

This change accommodates the need to reduce the number of hours in the concentration.
