FACULTY SENATE

Senate Document Number 6013S

Date of Senate Approval 4/11/13

-----  
Statement of Faculty Senate Action:

**APC Document 51:** **Change semesters when SOC 385 and SOC 393 are offered**

**Effective Date: Fall 2013**

**1. Delete:** On page 273, in the description for **SOC 385, Technology in Everyday Life:**

Even years Fall.

**Add :** On page 273, in place of deleted entry:

See department chair.

**2. Delete:** On page 273, in the description for **SOC 393, Popular Culture/High Culture:**

Odd years Fall.

**Add :** On page 273, in place of deleted entry:

See department chair.

**Impact Statement:** There will be little impact on the resources and staffing of the Sociology and Anthropology department due to this change.

**Rationale:** These two courses are electives taught by the department chair who is constrained to offer fewer courses because of course release time. These courses will still be offered, but changing the listing of when they will be offered gives the department greater flexibility and prevents students from counting on the course to be offered at a particular time.
