FACULTY SENATE

Senate Document Number 0112F

Date of Senate Approval 04/26/12

Statement of Faculty Senate Action:

**FWDC 16: Modification of Faculty Scholarship and Service Awards Committee
(Revision of SD7708S; Faculty Handbook 10.3.4)**

Effective date: Immediately

Summary:

This document makes a modification to SD7708S.

Rationale:

In April of 2008 SD7708S was passed by the Faculty Senate and it revised membership and duties in 10.3.4 of the Faculty Handbook. An oversight was made that reduced the number of recipients of the Distinguished Scholarship and Creative Activity Award from two to one. It was never intended to be one and up until that time, two awards were always presented. This document would correct that oversight.

Change the following line in the document from: Adds two duties:

- To select one of the ranked full-time faculty members to receive the annual Distinguished Scholarship Award.

To:

- To select two of the ranked full-time faculty members to receive the annual Distinguished Scholarship Award.
