# THE UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE FACULTY SENATE

Senate Document Number 0312F

Date of Senate Approval 09/06/12

Statement of Faculty Senate Action:

**FWDC Document 2:** Elimination of Campus Commission on the Allocation of Student Services Funds

(Revision of <u>SD4806S</u>; Faculty Handbook 10.4.2)

Effective date: Immediately

**Summary:** 

This document will eliminate this committee.

#### Rationale:

In consultation with both the Vice Chancellor for Student Affairs and the President of SGA, the need for this advisory committee is felt to be unnecessary. In an attempt to make faculty service more sustainable, the reduction of committee work is felt to be a major aspect of FWDC. Since both parties feel that faculty can still advise without a formal committee, and students feel that readily contact faculty for input, the further continuation of this committee is needless.

### **Delete:**

10.4.2 Campus Commission on the Allocation of Student Services Funds (SD4806S)

#### Purpose

The committee is responsible for the allocation of student services funds for the purpose of programming sponsored by student organizations. In addition, it is responsible for the accountability of the utilization of these funds.
