Senate Document Number 0612F

Date of Senate Approval 11/08/12

Statement of Faculty Senate Action:

APC Document 2:

Sunset the following courses

Effective date: Fall 2013

1. Delete the following courses from the 2013-14 academic catalog:

<u>Course</u>	<u>Title</u>	<u>Last Term Taught</u>
ART 313	Collage and Assemblage II	Spring 2008
ARTH 380	Art & Architecture in Asia	Fall 2007
CLAS 360	Early Greek Poetry	Fall 2007
HIST 340	Classical Greece	Fall 2007
HIST 343	History of Christianity	Fall 2007
LANG 465	Advanced Playwriting	Spring 2006
LIT 355	Modern Drama	Spring 2007
SOC 223	Social Gerontology	Fall 2007
SOC 346	Dynamics of Organizations	Fall 2007

Impact: These courses are being deleted because they have not been taught for four consecutive academic years; hence, there should be no impact on students or departments.

Rationale: University policy requires that courses not taught in the last four years be deleted from the catalog unless the department provides a rationale for keeping the course. The courses listed below are those that would have been sunsetted if the departments had not submitted justification for keeping the courses.
