FACULTY SENATE

Senate Document Number 1912F

Date of Senate Approval 12/06/12

Statement of Faculty Senate Action:

APC Document 15

Change credit hours of MUSC 357

Effective Date: Fall 2013

1. Delete: On page 235, the title and credit hours for **MUSC 357**:

357 Jazz History (2)

Add : On page 235, in place of deleted entry:

357 Jazz History (3)

Impact Statement: There will be no impact on the resources of the Music department due to this change. No new equipment or space will be required. The additional contact hour will, by careful distribution of teaching assignments and elimination of some currently required courses, have no impact on faculty load.

Rationale: This change is being made in order to make the jazz history course consistent with the other music history courses. The change to 3 credit hours reflects the expanded depth of study of existing content. Additional out-of-class of time will be expected of students for successful completion of this course.
