APC Document 17

Delete MCOM 451, renumbering to MCOM 352

Effective Date: Fall 2014

1. Delete: On page 213, the entry for **MCOM 451:**

451 Professional Internship (4)

Students who have a grade point average of at least 2.5 in MCOM and VMP courses may apply for a professional internship in any media field by completing an Internship Application, available from the instructor of the course. Prerequisites: MCOM 104, 201, VMP 205, a GPA of 2.5 or higher in MCOM/VMP courses, and permission of instructor. (Grading is S/U). Fall and Spring.

Add: On page 213, internship course with lower number, **MCOM 352:**

352 Professional Internship (4)

Students who have a grade point average of at least 2.5 in MCOM and VMP courses may apply for a professional internship in any media field by completing an Internship Application, available from the instructor of the course. Prerequisites: MCOM 104, 201, VMP 205, a GPA of 2.5 or higher in MCOM/VMP courses, and permission of instructor. (Grading is S/U). Fall and Spring.

Impact: There will be no impact on resources or staffing.

Rationale: Reducing the level of the internship course eliminates confusion about what counts for the 400-level seminar requirement. It also applies the Internship experience where there is space in the student's curriculum, and where such experience is more appropriate.
