

THE UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE  
FACULTY SENATE

Senate Document Number 1114F  
Date of Senate Approval 12/04/14

-----  
Statement of Faculty Senate Action:

**APC Document 8 (EDUC):** **Change Pre- and Corequisites in EDUC 340**

**Effective Date: Fall 2015**

- 1. Delete:** On page 132, the pre- and corequisites for **EDUC 340, Teaching Mathematics: Content and Process, K-6:**

Prerequisites: EDUC 210, 211; MATH 211. Pre- or corequisite: MATH 215.

**Add:** On page 132, in place of deleted entry:

Prerequisites: EDUC 210, 211; MATH 211 or MATH 215.

**Impact:** No resource implications. Eliminating the co-requisite and expanding the pre-requisite options make the curriculum more flexible for students seeking teacher licensure.

**Rationale:** The existing pre- and co-requisite are no longer needed pedagogically, given a retooling of the MATH 211 and MATH 215 courses.
