

THE UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE  
FACULTY SENATE

Senate Document Number 0517F  
Date of Senate Approval 12/07/17

-----  
Statement of Faculty Senate Action:

**APC Document 2 (INTS):**

**Change the description of INTS 365**

**Effective Date: Fall 2018**

**1. Delete:** On page 202, the course description for **INTS 365**:

**365 International Experiential Learning Project (3-6)**

Students participate in an experiential learning project or internship with an international focus in the U.S. The project or internship must be approved by the International Studies director. An IP grade may be awarded at the discretion of the instructor. May be repeated for a total of 6 credit hours. Prerequisite: permission of International Studies director.

**Add:** On page 202, in place of deleted entry:

**365 International Experiential Learning Project (3-6)**

Students participate in an experiential learning project or internship with an international focus. The project or internship requires advance approval of the International Studies director. An IP grade may be awarded at the discretion of the instructor. May be repeated for a total of 6 credit hours. See International Studies director.

**Impact:** This change removes the wording in the course description that limits the experiential project to the United States. The impact of this change is to expand the use of the course number to include experiences that are both domestic and abroad.

**Rationale:** As currently written, the course is restricted to experiences taking place in the U.S. There is currently no INTS course number for faculty-led international internships. Therefore, removing this language will allow the utilization of this existing course number for experiences both domestic and abroad.
