Statement of Faculty Senate Action:

APC Document 26 (MUSC)

Change titles for MUSC 113 and 121

Effective Date: Fall 2018

1. **Delete:** On page 243, the entry for **MUSC 113:**

113 University Singers (1)

University Singers is an ensemble that prepares singers for a lifetime of choral participation as experienced singers, music educators and enthusiastic amateurs. The choir performs a full range of literature including major works with orchestra, standard repertoire for choral ensembles, and other works representing a global diversity of musical styles. No audition required. Fall and Spring.

Add: On page 243, in place of deleted entry:

113 University Chorale (1)

University Chorale is an ensemble that prepares singers for a lifetime of choral participation as experienced singers, music educators and enthusiastic amateurs. The choir performs a full range of literature including major works with orchestra, standard repertoire for choral ensembles, and other works representing a global diversity of musical styles. No audition required. Fall and Spring.

Impact Statement: No impact on resources or students is anticipated. This is only an editorial change.

Rationale: The name change allows us to align better with universities that have comparable programs. It is also more accurately descriptive of a large, un-auditioned chorus that is open to all individuals.

2. **Delete:** On page 243, the entry for **MUSC 121:**

121 Concert Band (1)

Performance course emphasizing reading and technique. Ability to perform on a brass, woodwind or percussion instrument required. Fall and Spring.

Add: On page 243, in place of deleted entry:

121 Wind Ensemble (1)

Performance course emphasizing reading and technique. Ability to perform on a brass, woodwind or percussion instrument required. Fall and Spring.

Impact Statement: No impact on resources or students is anticipated. This is only an editorial change.

Rationale: This title change is designed to reflect that this is the only classical wind ensemble at UNC Asheville. As such, the title Wind Ensemble portrays the fact the ensemble varies in size based on available performers and the selected repertoire. This change allows for the title to reflect the projected growth and direction of this ensemble.
