

THE UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE
FACULTY SENATE

Senate Document Number 3418S
Date of Senate Approval 04/05/18

Statement of Faculty Senate Action:

APC Document 27 (ART): **Change ART 122 from a prerequisite to a pre- or corequisite for ART 234 and ART 246**

Effective Date: Fall 2018

1. Delete: On page 72, the prerequisite listing in **ART 234, Ceramics I:**

Prerequisites: ART 122, 133, 144.

Add: On page 72, in place of deleted entry:

Prerequisites: ART 133, 144. Pre- or corequisite: ART 122.

2. Delete: On page 72, the prerequisite listing in **ART 246, Sculpture I:**

Prerequisites: ART 122, 133, 144.

Add: On page 72, in place of deleted entry:

Prerequisites: ART 133, 144. Pre- or corequisite: ART 122.

Impact Statement: This proposed change does not affect major, minor, and/or university requirements including the number of hours needed to graduate. This proposal does not affect staffing and/or course offerings. There is no anticipation of change in enrollment in ART 122 as a direct reflection from this change.

Rationale: This proposed change will allow students to begin introductory course work sooner within their chosen 3-D area of concentration--Ceramics and Sculpture--by allowing them to take the required 2-dimensional foundation design course (ART 122) concurrently with a first-level studio course. Students will still be required to complete the 3-D foundation course (ART 133) prior to beginning the first level 3-dimensional studio course.
