

THE UNIVERSITY OF NORTH CAROLINA ASHEVILLE
FACULTY SENATE

Senate Document Number SD0420F
Date of Senate Approval 11/05/2020

Statement of Faculty Senate Action:

APC Document 3 (ART): Remove ART 122 and ART 133 as a prerequisite or corequisite for ART 144

Effective Date: Fall 2021

- Delete:** On page 74, the pre- and corequisite listing in **ART 144, Foundation Drawing:**

Pre- or corequisite: ART 122 or 133.

Impact Statement: The proposed change does not affect major, minor, and/or university requirements including the number of hours needed to graduate. This proposal does not affect staffing and/or course offerings. There is no anticipation of change in enrollment in ART 122, ART 133, or ART 144 as a direct reflection from this change.

Rationale: This proposed change will allow students to enroll in any foundation course, in any order. The intent is to broaden the selection of courses available to incoming students, allowing them to take required courses within the major as quickly as possible. The department has been advising students that they can take the courses in any order, and while there have been fewer than 25 overrides in the last five years, there is always a concern that students elect against the effort to submit a request. Removing the pre- or corequisite eliminates that concern.
