A. Appointment and Compensation

1. Upon recommendation of the chancellor, the board of trustees of a special responsibility constituent institution with management flexibility for personnel appointments shall, for all positions exempt from the State Personnel Act except the position of the chancellor, appoint, promote, and set the compensation for such employees consistent with the policies and salary ranges set by the Board of Governors and the regulations and guidelines established by the Office of the President.
2. Personnel actions at a constituent institution, other than a special responsibility constituent institution with management flexibility, shall be governed as follows:

Notwithstanding the requirements of this paragraph, a board of trustees may promote in rank a faculty member with permanent tenure, upon the recommendation of the chancellor, and without approval by the Board of Governors.
 - b. With respect to all faculty and administrative positions other than those identified in subparagraph 2a above, and other than those subject to the State Personnel Act, the chancellor shall forward the chancellor's recommendations for appointment, promotion and compensation to the board of trustees; subject to applicable provisions of the *University Code* and to such policies as may be established by the Board of Governors, the action of the board of trustees with respect to such personnel actions shall be final.

B. Discharge or Suspension

Subject to regulations of the board of trustees and consistent with applicable policies of the Board of Governors, all discharges or suspensions of faculty members and administrative personnel, other than those subject to the State Personnel Act, shall be effected by the chancellor. Policies adopted by a board of trustees regarding academic tenure and promotion shall be effective upon review by the senior vice president for academic affairs and the vice president and general counsel, and approved by the president.

Subject to authorization by the Board of Governors of the nature and general content of specific degree programs which may be offered by an institution, each institution shall determine whether an individual student shall be entitled to receipt of a particular degree. Each institution also shall determine what grade a student will be assigned in a particular course. No appeal from any of these decisions or any other academic determination is allowable to the president or to the Board of Governors.

IV. HONORARY DEGREES, AWARDS AND DISTINCTIONS

The board of trustees shall be responsible for approving the names of all individuals on whom it is proposed that an honorary degree or other honorary or memorial distinction be conferred by the institution, subject to such policies as may be established by the Board of Governors.
