Handbook; Award instituted in Fall 2000 (see [SD0700F](#)))**

Effective date: Immediately

Summary: This document revises [SD7708S](#), [SD0112F](#) and [Section 10.3.4](#) in the Faculty Handbook by adding a second Distinguished Service Award. This award was instituted in Fall 2000 (see [SD0700F](#)).

Rationale: The Faculty Scholarship and Service Award Committee currently awards two Feldman Professorship Prizes, two Distinguished Scholarship Awards, but only one Distinguished Service Award. Adding a second Distinguished Service Award validates the importance of service in the academic triad.
