

THE UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE

FACULTY SENATE

Senate Document Number 8518S

Date of Senate Approval 05/03/18

Statement of Faculty Senate Action:

FWDC 10:

**Faculty Assembly Election Process
Faculty Handbook 10.2.8**

Effective date: Immediately

Summary: This document clarifies that the Faculty Senate names a slate of candidates for Faculty Assembly for election by the faculty.

Rationale: This revision is consistent with our practice, in that FWDC has historically prepared a slate for Faculty Senate to endorse before the faculty elects their representatives to Faculty Assembly. This practice is necessary in order to ensure that the elected representative (and alternate) are aware of travel obligations and are willing to fulfill this role.

Revise 10.2.8:

Purpose

The Assembly holds four regular meetings each academic year plus special meetings which may be called by the Chair or the President of the University. The Assembly advises the President on matters such as Academic Programs, Planning, Budgets, Faculty Welfare and Development and other matters which may come before the Assembly from the various campuses or the President and his or her staff.

Membership and Terms

- UNC Asheville faculty elect two representatives and alternates to the UNC Faculty Assembly; each serve terms of three years. The two alternates serve terms concurrent with the elected representatives. [When there is a vacancy, the Faculty Senate shall approve a slate of no fewer than three nominees, prepared by FWDC, for election by the faculty.](#)
