-----  
Statement of Faculty Senate Action:

**APC Document 22 (HIST):**                    **Allow Special Topics Classes to count toward Category I History requirements**

**Effective Date: Fall 2020**

1.     **Delete:** On page 168, the entry for History Special Topics classes:

**171-4, 271-4, 371-4, 471-4 Special Topics in History (1-4)**

Courses not otherwise included in the catalog listing but for which there may be special needs. May be repeated for credit as often as permitted and as subject matter changes. These courses may be distributed into categories II through IV above as determined by department chair.

**Add:** On page 168, in place of deleted entry:

**171-4, 271-4, 371-4, 471-4 Special Topics in History (1-4)**

Courses not otherwise included in the catalog listing but for which there may be special needs. May be repeated for credit as often as permitted and as subject matter changes. These courses may be distributed into Categories I through IV above as determined by department chair.

**Impact:** None anticipated. Any courses will be offered by departmental faculty in lieu of one of the other History courses in their rotation.

**Rationale:** Allowing Special Topics courses to satisfy Category I requirements will allow for piloting alternatives to the surveys or the capstone. The substitution into the designated category will be published in the course description prior to registration and will be applicable to all students enrolled in the course.
