

THE UNIVERSITY OF NORTH CAROLINA ASHEVILLE
FACULTY SENATE

Senate Document Number 3220S
Date of Senate Approval 04/09/20

Statement of Faculty Senate Action:

APC Document 29 (HUM): **Delete LANG 120 as pre or co-requisite for HUM 124**

Effective Date: Fall 2020

1. **Delete:** On page 174, the pre- or corequisite for **HUM 124:**

Pre- or corequisite: LANG 120.

Impact: Removing the pre- or corequisite will allow students to enter the Humanities sequence earlier than they historically tend to do. Further, removing the co-/prerequisite will ease the scheduling of the first year courses in general and in a way that better supports overall learning goals shared across the courses.

Rationale: As student learning objectives have evolved into a consistent commitment to teach writing in HUM 124, it is no longer necessary to sequence LANG 120 first or take it in the same term. It is an unnecessary scheduling restriction. Both the chair of English and the director of first-year writing have concurred with this change.
