

THE UNIVERSITY OF NORTH CAROLINA ASHEVILLE
FACULTY SENATE

Senate Document Number 4520S
Date of Senate Approval 04/30/20

Statement of Faculty Senate Action:

APC Document 41 (MGMT):

Change the title of MGMT 489

Effective Date: Fall 2020

1. **Delete:** On page 223, the entry for **MGMT 489:**

489 Project-Based Professional Internship (3)

Add: On page 223, in place of deleted entry:

489 Project-Based Internship (3)

Impact Statement: There will be no resource impacts due to this editorial change.

Rationale: The word “professional” is not a significant, useful contribution to the title. It can be argued that all internships are “professional,” so including this word in the title isn’t necessary.
