Academic Appeals Board

What is your current position and length of service at UNC Asheville? (25 word maximum) \*

Assistant Professor; 3.5 years

Why are you interested in serving in this position? (50 word maximum) \*

I am interested in bringing compassionate, impartial and thoughtful resolution to academic disputes. We have such a unique and motivated student body. I believe in seeking context and understanding and want to center student success as we uphold the values of academic integrity.

Please describe any relevant interests or experience you would bring to this position. (50 word \* maximum)

My strong interest in seeking context will humanize the students and situations that come before us. To me, procedural fairness can coexist with the careful approach of remembering that our primary role is to educate- which can take place outside of the classroom and in situations that involve this board.
